

## PRESIDENT'S COUNCIL BENEFITS

President's Council is a donor society made up of esteemed and passionate individuals committed to supporting the mission and vision of the Texas State Aquarium. President's Council members connect even more with the Aquarium through unique experiences such as private behind-the-scenes tours and exclusive receptions where they hear firsthand from Aquarium leadership about our animals, our conservation efforts and research studies. These fun and engaging personal experiences bring President's Council members closer to the Aquarium's mission; to engage people with animals, inspire appreciation for our seas and support wildlife conservation.
